DIRECTORS' RESPONSIBILITY FOR FINANCIAL REPORTING

YEAR ENDED 31 DECEMBER 2017

The directors are responsible for the preparation, integrity and fair presentation of these annual financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized entities and in the manner required by the Companies Act in South Africa. These responsibilities include: designing, implementing and maintaining internal control relevant to the preparation of annual financial statements that are free of material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

The directors are also responsible for the company's system of internal financial controls. These are designed to provide reasonable, but not absolute, assurance as to the reliability of the annual financial statements, and to adequately safeguard, verify and maintain accountability of assets, and to prevent and detect misstatement and loss. Nothing has come to the attention of the directors to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the year under review.

The going concern basis has been adopted in preparing the annual financial statements. The directors have no reason to believe that the company will not be a going concern in the foreseeable future based on forecasts and available cash resources. The annual financial statements support the viability of the company.

The annual financial statements have been audited by the independent auditor, Tracey Gibson CA (SA), who was given unrestricted access to all financial records and related data, including all resolutions and minutes of all meetings of shareholders and the directors and committees of the board. The directors believe that all representations made to the independent auditors during the audit were valid and appropriate.

The external auditor is responsible for independently auditing, compiling and reporting on the company's annual financial statements.

The business of the annual general meeting will be dealt with by a resolution of the members.

The financial statements were approved by the directors on 8 February 2018.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS

YEAR ENDED 31 DECEMBER 2017

We have audited the annual financial statements of The Institute and Guild of Brewing - Africa Section (Association Incorporated under Section 21), which comprise the directors' report, the statement of financial position as at 31 December 2017, the statement of comprehensive income, the statement of equity and statement of cash flows for the year then ended, a summary of significant policies and other explanatory notes.

The supplementary schedules attached to the financial statements are for information purposes only and do not form part of the financial statements and such we do not express an opinion thereon.

Directors' responsibility for the financial statements

The directors are responsible for the maintenance of adequate accounting records and the preparation and integrity of the annual financial statements and related information. The auditors are responsible to report on the fair presentation of the annual financial statements. The annual financial statements have been prepared in accordance with International Financial Report Standards for Small and Medium-sized entities and in the manner required by the Companies Act, 2008.

Auditor's responsibility

Our responsibility is to express an opinion on these annual financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the annual financial statements. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the annual financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the annual financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of The Institute and Guild of Brewing - Africa Section (Association Incorporated under Section 21) as at 31 December 2017, and its financial performance and its cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and in the manner required by the Companies Act of South Africa.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS

Year ended 31 December 2017

1. Accounting policies

These financial statements have been prepared in accordance with the International Financial Reporting Standards for Small and Medium-sized entities issued by the International Accounting Standards Board (IASB). They are presented in South African Rands.

1.1 Equipment

Equipment is reflected at cost less accumulated depreciation. Depreciation is charged on the straight-line basis over the estimated useful lives of the assets. The estimated maximum useful lives of items of equipment are:

Computer equipment	33,3%
--------------------	-------

Carrying amounts of equipment are reduced to their recoverable amount, where this is lower than the carrying amount. The expected future cash flows attributable to such assets are considered in determining the recoverable amount.

Subsequent expenditure relating to an item of equipment is capitalised when it is probable that future economic benefits from the use of the asset will be increased. All other subsequent expenditure is recognised as an expense in the period in which it is incurred.

1.2 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents the amounts receivable for goods and services provided in the normal course of business, net of trade discounts and volume rebates, and value added tax.

Interest is recognised, in profit or loss, using the effective interest rate method.

1.3 Financial instruments

Financial instruments may be designated to be measured at amortised cost less any impairment using the effective interest rate method. These include trade and other receivables, loans and trade and other payables. At the end of each reporting period date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If so, an impairment loss is recognised.
